FIA STANDARD: 8862-2009

RECARO P1300 GT LW – LIGHT WEIGHT

The combination of low weight, maximum safety and individual comfort makes our RECARO P1300 GT LW so unique. Despite its lower weight, this racing shell meets the FIA standard 8862-2009 for „Advanced Racing Seats" and can be adjusted fore-aft thanks to the flexible sidemount. The interchangeable pads in different sizes and the flexible sidemount available as an accessory provide a maximum of individual fitting possibilities. It is ideally suited for racing applications with frequent and fast driver changeovers. The RECARO P1300 GT LW is homologated for use in GT and touring car sport.

Standard features
+ Certified according to **FIA 8862-2009** (Advanced Racing Seat)
+ Seat shell made of carbon fiber reinforced polymer (CFRP)
